

All The Nations

The Old Testament focuses its attention on how God loves and interacts with the nation of Israel. However, it is important that we don't lose sight of God's heart for the whole world. Psalm 67 is a great reminder of this. The psalmist asks God to bless them. For what reason - just so they can be better off? No - the result of their blessing is so that His ways may be known on earth, so that His salvation may be known among all the nations, and so that they will be glad and sing His praises!
